

Thank you for Supporting Disaster Relief in Somalia!

September 1, 2011

Dear Friends of PRASAD,

Thanks to your prompt and generous response, we have raised approximately \$10,000 for relief efforts in Somalia, and gifts are still coming in!

As Somalia is located outside of our usual service area, The PRASAD Project collaborated with AmeriCares, a highly respected international relief organization, to respond to this crisis. Donations to this fund are being used to ship targeted medicines and medical supplies to Somalia.

We are no longer seeking donations to this fund, although we continue to keep the people of Somalia in our prayers.

Sincerely,

A handwritten signature in blue ink, appearing to read "Frederic Dacqmine". The signature is fluid and cursive, with the first letter of the first name being a large, stylized "F".

Chairman, The PRASAD Project Board of Trustees.
