Dear Friends,

We are deeply grateful for your continued support of The PRASAD Project's mission to empower people in achieving lives of self-reliance and dignity. To meet the needs of the communities in India's rural Tansa Valley, PRASAD Chikitsa offers comprehensive health care, including a six-day-per-week nutrition program designed to rescue severely malnourished children. PRASAD helps to establish sustainable community through programs such as women's empowerment groups, teaches residents to run income-generating businesses, and provides access to clean water and sanitation.

In Mexico, PRASAD offers free eye surgeries through PRASAD de México, and dental services to underprivileged children in the U.S. through PRASAD Children's Dental Health Program.

The PRASAD Project has been ranked as a top-rated nonprofit by GreatNonprofits and has achieved a Gold Level GuideStar and earned the highest rating from Charity Navigator. These ratings demonstrate PRASAD's deep commitment to financial accountability.

Sincerely,

The Board of Trustees and Executive Director
